1. Introduction

This Privacy Policy describes how **Liberandum AI FZCO** (hereinafter referred to as the “Company,” “we,” “our,” or “us”) collects, uses, and protects the information you provide when visiting our website and/or using our services and digital products (hereinafter – the “Platform”).

2. Information We Collect

We collect personal information that you voluntarily provide when registering, creating an account, using the Platform, filling out forms, or contacting our support team. The information collected may include, but is not limited to:

- Name and contact information (email address, phone number)
- Information about your device and internet connection
- Data related to your activity and interactions on the Platform

3. How We Use Your Information

The collected information is used for the following purposes:

- Ensuring proper functionality of the Platform and improving service quality
- Processing registrations and managing user accounts
- Providing personalized services and enhancing user experience
- Responding to inquiries and delivering customer support

4. Sharing Data With Third Parties

We do not share your personal data with third parties without your consent, except where required by law or when necessary to deliver our services.

5. Data Protection

We take appropriate technical and organizational measures to safeguard your data from unauthorized access, alteration, disclosure, or destruction. However, no method of data transmission over the internet or electronic storage can be guaranteed as completely secure.

6. Your Rights

You have the right to access, modify, or delete your personal data, as well as restrict its processing. To exercise these rights, please contact us using the details provided on the Platform.

7. Changes to This Privacy Policy

We may periodically update this Privacy Policy. The updated version becomes effective upon publication on the Platform. We recommend reviewing this Policy regularly to stay informed about any changes.
