

Terms and Conditions

1. Introduction

These Terms and Conditions (“Terms”) govern your use of the services, products, and website provided by **Liberandum AI FZCO**, a company registered in the United Arab Emirates (UAE), with its registered office at Building A1, Dubai Digital Park, Dubai Silicon Oasis, Dubai, United Arab Emirates

By accessing or using our services, you confirm that you have read, understood, and agreed to be bound by these Terms. If you do not agree with any part of these Terms, please do not use our services.

2. Definitions

In these Terms, the following terms shall have the meanings set out below unless otherwise stated:

- **“Company”, “we”, “our”, “us”** – refers to **Liberandum AI FZCO**, the provider of the services and products.
- **“User”, “you”, “your”** – refers to any individual or entity that accesses or uses our services.
- **“Platform”** – refers to the Liberandum website, application, and any other digital interface we provide.
- **“Services”** – means all services offered by the Company, including but not limited to AI-based analysis, crypto security filters, and smart portfolio tools.
- **“Subscription”** – means a recurring paid plan that grants access to certain premium features of the Platform.
- **“Content”** – refers to all materials, including data, text, graphics, images, algorithms, or software provided by the Company.
- **“Terms”** – means these Terms and Conditions.

3. Description of Services

The Company provides a platform powered by artificial intelligence to analyze blockchain-based digital assets, evaluate transaction security, and offer insights into the trustworthiness and compliance of cryptocurrencies.

Our services may include, but are not limited to:

- Real-time risk assessment of crypto transactions
- AI-generated analytics on market behavior and asset reliability
- Shariah-compliance scoring for cryptocurrencies
- Scam token detection and blacklist systems
- Portfolio optimization and custom AI strategies
- Subscription-based access to premium analytical tools

The services may evolve over time, and we reserve the right to modify, improve, or discontinue features at our sole discretion.

4. Registration and Account

To access certain features of the Platform, users may be required to create an account by providing accurate, complete, and up-to-date information.

Users may register using an email and password or sign in directly via a third-party service such as Google (Gmail). By using third-party authentication, you authorize us to access and use certain information from your connected account in accordance with our Privacy Policy.

You are solely responsible for maintaining the confidentiality of your login credentials and for all activities that occur under your account.

You agree to notify us immediately of any unauthorized use or suspected breach of security.

The Company reserves the right to suspend or terminate any account that violates these Terms or is suspected of fraudulent, abusive, or unlawful activity.

5. Payment and Refund Policy

Access to certain features of the Platform requires a paid subscription. Pricing, billing cycles, and included features will be clearly presented before the user completes a transaction.

All payments must be made using an accepted payment method. You confirm that you are authorized to use the selected payment method and that the billing information provided is accurate and complete.

Subscriptions automatically renew at the end of each billing period unless canceled before the renewal date. You may cancel your subscription at any time via your account settings.

Refunds may be granted within 7 days of the original payment date only in the case of verified technical issues that prevent proper use of the service. All refund requests will be reviewed on a case-by-case basis. Refunds, if approved, will be issued only to the original payment method used at the time of purchase.

For corporate or enterprise clients, separate terms may apply based on volume, scope of integration, and contractual agreements. Please contact us directly for tailored conditions.

We reserve the right to modify pricing or subscription terms at any time, with prior notice to users when applicable.

6. Intellectual Property

All content and materials available on the Platform, including but not limited to software, algorithms, text, graphics, logos, icons, images, data sets, audio, video, and interface elements, are the intellectual property of Liberandum AI FZCO or its licensors, and are protected by international copyright, trademark, and intellectual property laws.

The artificial intelligence engine, including our proprietary Large Language Model (LLM), is developed and owned exclusively by Liberandum AI FZCO. All models, training data, architecture designs, prompts, and outputs are protected as proprietary technology.

By using the Platform, you are granted a limited, non-exclusive, non-transferable, and revocable license to access and use the services for personal or internal business purposes, in accordance with these Terms.

You may not reproduce, distribute, modify, reverse-engineer, publicly display, or exploit any part of the Platform or its content without prior written permission from the Company.

All trademarks, service marks, and trade names are the property of their respective owners.

7. Restrictions and Prohibited Use

You agree not to misuse the Platform or use it in any way that violates these Terms or any applicable laws. The following activities are strictly prohibited:

- Attempting to gain unauthorized access to the Platform, accounts, or infrastructure.
- Reverse-engineering, decompiling, or extracting source code, models, or data.
- Using the Platform or its AI models to develop competing services.
- Distributing, reselling, sublicensing, or otherwise commercializing any part of the Platform without permission.
- Using the Platform for unlawful, abusive, fraudulent, or deceptive purposes.
- Uploading or transmitting viruses, malware, or malicious code.
- Interfering with or disrupting the integrity or performance of the Platform.
- Using automated tools (bots, scrapers) to access the Platform unless explicitly allowed.
- Accessing or using the Platform in any jurisdiction that is subject to U.S., U.K., EU, or U.N. sanctions or export restrictions.

The Company reserves the right to suspend or terminate access to any user who violates these restrictions.

8. Termination and Suspension of Access

We reserve the right to suspend or permanently terminate your access to the Platform, without prior notice, if:

- You violate any provision of these Terms;

- We are required to do so by law or regulatory authority;
- Your actions pose a threat to the security, stability, or integrity of the Platform;
- You engage in fraud, abuse, or any prohibited activities as outlined in Section 7.

Upon termination, your right to use the Platform will immediately cease, and any associated account data may be deleted in accordance with our data retention policy.

If your account is terminated due to violation of these Terms, you are not entitled to any refunds or compensation.

You may also cancel your account and stop using the Platform at any time via your user dashboard or by contacting support.

9. Limitation of Liability

To the maximum extent permitted by applicable law, Liberandum AI FZCO, its affiliates, directors, employees, agents, and partners shall not be liable for any indirect, incidental, consequential, special, exemplary, or punitive damages, including but not limited to:

- Loss of revenue, profits, data, goodwill, or business interruption;
- Errors, omissions, or inaccuracies in any AI-generated analysis, prediction, or recommendation;
- Unauthorized access to or alteration of your data or transmissions;
- Use of or reliance on any information, content, or services provided by the Platform.

The Platform, including all AI models, tools, forecasts, and analytics, is provided strictly “as is” and “as available”, without warranties of any kind — whether express, implied, statutory, or otherwise — including, but not limited to:

- Implied warranties of merchantability, fitness for a particular purpose, and non-infringement;
- Accuracy, completeness, or reliability of AI-generated content;
- Continuous availability, error-free performance, or suitability for specific outcomes.

No content provided on the Platform constitutes financial, investment, legal, or tax advice. You acknowledge that all decisions made based on data or insights from the Platform are made at your own discretion and risk.

In no event shall the Company’s aggregate liability exceed the total amount paid by you for the services during the 12 months preceding the claim.

10. Changes to Terms

We reserve the right to modify, update, or replace these Terms at any time, in whole or in part, at our sole discretion.

When we make changes, we will notify users by updating the “Last Updated” date at the top of this document and, where appropriate, by sending an email or in-platform notification.

It is your responsibility to review these Terms periodically. Your continued use of the Platform after any changes constitutes your acceptance of the updated Terms.

If you do not agree with the modified Terms, you should discontinue your use of the Platform immediately.

Custom contractual agreements with enterprise clients shall remain unaffected by such changes unless explicitly amended and mutually agreed in writing.

11. Governing Law and Jurisdiction

These Terms shall be governed by and construed in accordance with the laws of the United Arab Emirates (UAE), without regard to conflict of law principles.

Any disputes, claims, or legal proceedings arising out of or related to these Terms shall be subject to the exclusive jurisdiction of the courts of Dubai, UAE.

However, for clients registered under the Astana International Financial Centre (AIFC) in Kazakhstan, jurisdiction may be subject to mutual agreement and handled under AIFC regulations, where applicable.

By using the Platform, you expressly consent to the above jurisdiction clauses.

12. Contact Information

If you have any questions, concerns, or requests regarding these Terms or the Platform, you may contact us at:
